III. SUMMARY OF LEGISLATIVE CHANGES

Public Act 99-0351 became effective January 1, 2016 and amends Section 10 of the Safeguard our Children Act to include the following:

Section 10. Duty to report. Any child or person in the care of the Department who is placed in a residential facility under contract with the Department pursuant to the Children and Family Services Act shall be reported as missing to the local law enforcement agency within whose jurisdiction the facility is located, if:

(1) there is no contact between an employee of the residential facility and the child or person within a period of 12 hours; and

(2) the child or person is absent from the residential facility without prior approval.

The operator of the residential facility shall inform the child's or person's caseworker that the child or person has been reported as missing to the appropriate local law enforcement agency. The operator of the residential facility shall also report the child or person as missing to the National Center for Missing and Exploited Children (NCMEC) 1-800-THE-LOST (1-800-843-5678) and shall make a subsequent telephone notification to the sheriff of the county in which the residential facility is located.

The operator of the residential facility making the missing persons report to the local law enforcement agency within whose jurisdiction the facility is located shall report that the missing person is a ward of the Department and shall inform the law enforcement agency taking the report to include the following statement within the missing persons report, in the field of the Law Enforcement Agencies Data System (LEADS) known as "Miscellaneous":

"This individual is a ward of the Illinois Department of Children and Family Services (DCFS) and, regardless of age, shall be released only to the custody of DCFS. Contact the 24-hour hotline: 866.503.0184."

Rules 329 will be amended to comply with the new requirements, including, but not limited to, the requirement that, effective immediately in accordance to PA 99-0351, residential facilities are required to report, in full compliance of the Safeguard Our Children Act, missing children who meet the above criteria to the local law enforcement agency and subsequently to NCMEC.
