hereinafter called the "adoptive parent(s)" for the purpose of facilitating the legal adoption of

I. LEGAL BASE

The Children and Family Services Act [20 ILCS 505/5(j)] provides the statutory authority for adoption assistance. Department Rules and Procedures 302.310, Adoption Assistance, promulgated pursuant to the above statute, govern the provision of adoption assistance by the Department.

II. GENERAL PROVISIONS

Following the adoption finalization:

1) This agreement may not be amended, or terminated except by mutual agreement in writing.

2) While payment may be increased based on changes in the needs of the child, payments will not be decreased based on changes in the needs of the child. All modifications/amendments to this agreement require documentation that the mental, emotional and/or physical condition or risk factors existed prior to the finalization of adoption.

3) This agreement shall remain in place regardless of the place of residence of the adoptive parent(s) and the child. However, if the adoptive parent(s), who now reside in Illinois, move to another state in the future, the change in residence may affect their ability to receive a Medicaid card in that state for their child as eligibility requirements differ from state to state. When a family moves out of state or currently resides out of state and that state will not provide Medicaid coverage for the child, Illinois will reimburse the adoptive parents at Illinois Medicaid reimbursement rates for eligible services. In the event that the out-of-state medical provider participates in the Illinois Medicaid program, the provider will bill the Illinois Medicaid program for medical expenses.

Child's Name: _____
(Name prior to adoption)

Adoptive Parent(s) Name: _____

Date: _____

4) This agreement cannot be transferred by the adoptive parent(s) to any other party. However, in the event of the death of the adoptive parent(s) or termination of their parental rights, the child remains eligible for assistance in a subsequent adoption. The proposed new adoption and subsidy agreement must be approved by the Department prior to the Judgment Order of Adoption.

   The potential successor adoptive parent(s) must contact the DCFS Post Adoption staff in their region to request a home study, background checks and the development of a subsidy in a subsequent adoption.

5) An ongoing monthly payment can be issued only to the adoptive parent identified as payee in Section V. b) of this agreement and this person will be the designated authority for the purpose of service provision. In the event that there is a change in the custodial status of the child, the Department must be notified. If a change in payee is necessary, notification must be sent to the Department in writing with the supporting legal documentation attached. A non-custodial parent may request notice in writing of reviews or subsequent amendments to the agreement regarding their child(ren).

III. OBLIGATIONS OF THE ADOPTIVE PARENT(S)

The following are obligations of the adoptive parent(s). Failure to comply with these obligations may result in termination of the Medicaid Card and the subsidy.

1) The Department is required to conduct reviews to confirm that the adoptive parent(s) remains legally and financially responsible for the child, in part, to re-certify the child's eligibility for Medicaid benefits. Written notice will be sent annually to the adoptive parent(s) along with a form that must be completed and returned to the Department.

2) The adoptive parent(s) agrees to notify their DCFS Post Adoption Subsidy worker no later than 30 days after the following occurrences:

   a) When the child is no longer the legal responsibility of the adoptive parent(s);
   b) When the adoptive parent(s) no longer financially supports the child;
   c) When the child graduates from high school or equivalent;
   d) When there is a change of residential address or mailing address of the adoptive parent(s) or the child;
   e) When the child becomes an emancipated minor;
   f) When the child marries;
   g) When the child enlists in the military;
   h) When the custodial status of the child changes;
   i) When the child dies.
   j) If the child was adopted before July 1, 2017, or was younger than 16 years of age when the adoption was finalized on or after July 1, 2017, the adoptive parent is also required to notify the Department no later than 30 days after the child completes their secondary education or a program leading to an equivalent credential.
