Section 312.90 Benefits

a) Tuition and Fee Waiver

The OETS Business Office will request a waiver of tuition and mandatory fees for scholarship youth that attend an Illinois State university or community college if the youth does not have a tuition and/or fee scholarship from another source.

b) Monthly Grant

1) Youth must provide their caseworkers with written verification of their acceptance/enrollment in a college or university and their school address prior to the beginning of their initial semester or quarter. Caseworkers will verify the information and forward it to the OETS Business Office. Youth that no longer have a legal relationship with the Department must forward the information directly to the OETS Business Office. The OETS Business Office will forward payment information to the Central Payment Unit (CPU). Grant payments will be effective the first day the youth is at school and continue throughout the school year. Youth will receive their first payments the following month. The amount will be prorated based on the day of the month the youth was first located at the school.

2) Caseworkers must provide youth with an explanation of the financial and security benefits of having their grant checks directly deposited and assist the youth with completing the C-95, Authorization for Deposit of Recurring Payments. Youth who do not choose direct deposit will have their grant checks mailed directly to them. Youth are required to report their address change immediately to the OETS Scholarship Administrator at 217/557-2689 and their caseworker to ensure timely receipt of correspondence and their grant payments.

A) Summer Grant Payments

i) The OETS will continue grant payments through the summer when the youth is enrolled in summer school and taking a minimum of six college credit hours, or participating in an approved internship program. Youth that choose to continue their education through the summer months must submit an official class schedule or documentation of participation in an approved internship program to the OETS Business Office and their caseworker no later than the first Monday in May.
ii) Youth that choose not to attend summer school or participate in an approved internship program will continue to receive their grant payments through the summer months if the Department has guardianship of the youth or the Department's guardianship of the youth was terminated at age 21 after the youth entered the scholarship program and the youth has a grade point average of "C" or better, submits requested class schedules, has current contact information on file with OETS, and submits documentation of college or university enrollment for the fall semester to the OETS Business Office no later than June 1.

B) Terminating Payment

i) When a youth no longer meets the requirements to remain in the DCFS Scholarship Program, the youth's caseworker will notify the OETS Business Office immediately. Youth who are no longer the legal responsibility of the Department shall notify the OETS Business Office when they no longer meet the requirements of the program. The OETS Business Office will notify the CPU of the effective payment termination date for the youth.

ii) The OETS Business Office will notify the youth in writing 30 days prior to stopping grant payments for any reason other than summer breaks. If the youth has a legal relationship with the Department and resides in Cook County, the Cook County Public Guardian will also receive a copy of the termination notification. Youth may request a review of the decision to suspend or discharge them from the Scholarship Program in accordance with 89 Ill. Adm. Code 337 (Service Appeal Process). If the youth's grant does not continue during the appeals process, it will be issued retroactively if the youth's appeal is successful.

C) Marriage or Termination of Guardianship

Marriage or termination of guardianship does not terminate a Department scholarship. The Department will continue to make monthly grant payments to the youth, and the youth's medical needs will continue to be met under the Medicaid program.
c) Start-Up Grant

This is a $200 one time grant youth will receive upon entrance into the DCFS Scholarship Program. The purpose of the grant is to assist the youth with their initial college living expenses. Youth will receive the Start-Up Grant payment in July.

d) Medical and Dental Payments

1) Medical and dental services are available to DCFS scholarship youth. Medical and dental services are provided through the Department of Healthcare and Family Services Medical Assistance Program via the DCFS issued medical card.

2) Medical case management services are provided to pregnant and parenting youth and their children, zero to five years of age, through the Department of Human Services.

e) Mandatory Supplies and Book Payments

The Department may pay for required textbooks and supplies for youth that do not have sufficient resources to purchase the required items.

(Source: Amended at 38 Ill. Reg. 1988, effective December 31, 2013)

DATE: January 3, 2019

TO: All Department and Purchase of Service Agency Staff

FROM: Beverly J. Walker, Acting Director

EFFECTIVE: January 1, 2019

I. PURPOSE

The purpose of this Policy Guide is to provide procedures for implementing P.A. 100-1045 that amended the Children and Family Services Act [20 ILCS 505/8]. These amendments provide for tuition and fee waivers for youth that are not selected to receive a Department scholarship through the annual scholarship application process.

This Policy Guide is effective January 1, 2019 and shall remain in force until rules are promulgated.

II. PRIMARY USERS

All Department and Purchase of Service Agency Staff.

III. STATUTORY SUMMARY

Tuition and fee waivers are available to a youth or former youth in care for the first 5 years the youth or former youth in care is enrolled in a community college, university, or college maintained by the State of Illinois so long as the youth or former youth in care makes satisfactory progress toward completing his or her degree.

The community college or public university that an eligible student attends must waive any tuition and fee amounts that exceed the amounts paid to the eligible student under the federal Pell Grant Program or the State's Monetary Award Program.

The age requirement and 5-year cap on tuition and fee waivers under this subsection shall be waived and eligibility for tuition and fee waivers shall be extended for any eligible youth or former youth in care who the Department determines was unable to enroll in a qualifying post-secondary school or complete an academic term because they:

(i) were called into active duty with the United States Armed Forces;
(ii) were deployed for service in the United States Public Health Service Commissioned Corps; or
(iii) volunteered in the Peace Corps or the AmeriCorps.
The Department shall extend eligibility for a qualifying youth or former youth in care by the total number of months or years during which the youth or former youth in care served on active duty with the United States Armed Forces, was deployed for service in the United States Public Health Service Commissioned Corps, or volunteered in the Peace Corps or the AmeriCorps. The number of months a youth or former youth in care served on active duty with the United States Armed Forces shall be rounded up to the next higher year to determine the maximum length of time to extend eligibility for the youth or former youth in care.

The Department may provide the youth or former youth in care with a stipend to cover maintenance and school expenses, except tuition and fees, during the academic years to supplement the youth or former youth in care earnings or other resources so long as the youth or former youth in care consistently maintains scholastic records which are acceptable to the student's school and to the Department.

The Department will reach out to all high school students in grades 9 through 12 and those enrolled in a high school equivalency testing program to promote awareness of the Tuition and Fee Waiver Program.

**IV. ELIGIBILITY**

Youth that apply for and are not selected to receive a Department scholarship shall receive a tuition and fee waiver to assist them in attending and completing their post-secondary education at any community college, university, or college maintained by the State of Illinois. Only required college fees may be waived under this program.

Eligible students are youth for whom the Department has court-ordered legal responsibility, youth who aged out of care at age 18 or older, or youth formerly under care who have been adopted and were the subject of an adoption assistance agreement or who have been placed in private guardianship and were the subject of a subsidized guardianship agreement.

To receive a waiver under this subsection, an eligible student must:

1. have earned a high school diploma from an accredited institution or a high school equivalency certificate or have met the State criteria for high school graduation before the start of the school year for which the eligible student is applying for the waiver;

2. enroll in a qualifying post-secondary education before the eligible student reaches the age of 26; and

II. PRIMARY USERS

Primary users of this Policy Guide are DCFS and Private Agency Child Welfare Staff and Supervisors.

III. BACKGROUND

This Policy Guide clarifies the recent changes to the Department’s Scholarship Program as the result of Public Act #098-0805.

IV. SCHOLARSHIP PROGRAM

a) The Department will now award scholarships and fee waivers to 53 students attending any community college, university or college maintained by the State of Illinois.

b) Youth are eligible if:

1) the Department currently has court-ordered legal responsibility of the youth;

2) the youth aged out of care at age 18 or older;

3) the youth was formerly under care of the Department but has been adopted; and
4) the youth was formerly under care of the Department but has been placed in private guardianship.

c) The scholarship and fee waiver will be available for five (5) years provided the student is “continuing to work toward graduation”. The student must meet the following requirements to be considered as “continuing to work toward graduation”:

1) take a minimum of 12 credit hours per semester or quarter during fall and spring term and 6 credit hours in the summer term (or the program’s equivalency of full time status);

2) maintain a "C" grade point average and provide a copy of their semester or quarter grades to their caseworker and OETS;

3) notify their Permanency Worker and OETS, if they are under the care of the Department, if they transfer to another school, change their address, attend summer school or withdraw from school. Youth shall submit the above-required documentation directly to OETS if the Department no longer has a legal responsibility of the youth; and

4) file a FAFSA form and apply for other forms of financial aid annually, if needed, and for paying their own room and board, as well as other costs not covered by the Department Scholarship.

d) The unused scholarships and fee waivers shall be reallocated to new recipients. The process for reallocating the unused scholarships and fee waivers is:

1) upon confirmation that a scholarship recipient has withdrawn from school or no longer is “continuing to work toward graduation”, the OETS will review the spreadsheet from the Program Year to determine the next youth in line to receive a scholarship;

2) the information from the next student in line to receive a scholarship will be submitted to the National Student Clearinghouse to determine if he/she is still enrolled and attending an accredited post secondary institution. If so, the student will be notified that they are eligible to receive the remaining unused portion of the scholarship being forfeited. If no information is found on the student, attempts will be made to contact the student via the last contact information on file with OETS to determine school enrollment; and

3) OETS will continue to allocate all unused scholarships to students in order on the spreadsheet from the Program Year.
e) Before the start of the school year for which they are applying for the scholarship, the youth must have:

1) earned a high school diploma from an accredited institution;

2) earned a General Education Development certificate or diploma; or

3) met the State criteria for high school graduation.
