

Front-Line Staff Members; Personal Protection Spray Devices Report

Pursuant to Public Act 102-0990, (20 ILCS 505/21.6), DCFS will provide the following information for the preceding calendar year beginning January 1, 2024 and every January 1st thereafter:

- (i) the number of front-line staff members trained to carry personal protection spray devices;
- (ii) the number of front-line staff members who report carrying personal protection spray devices and the make or model of the devices;
- (iii) the number of reported uses of personal protection spray devices by service region; and
- (iv) The number of personal protection spray device deployments found to be against Department policy.

Additionally, the Department shall report each incident involving the deployment of a personal protection spray device that occurred during the preceding calendar year including the following:

- 1) the estimated age, gender and race of the intended target of the personal protection spray device;
- 2) whether there were injuries to the intended target resulting from the deployment of the personal protection spray device;
- 3) the age, gender and race of the front-line staff member who utilized the personal protection spray device; and
- 4) whether there were injuries to the front-line staff member resulting from the incident.
